The IEEE Reliability Society is seeking original papers for presentation at the 9th Annual IEEE International Conference on Prognostics and Health Management (PHM)

The 2018 IEEE International PHM Conference will be held in Seattle, Washington at the Hilton Seattle Airport & Conference Center, on June 11-14, 2018. PHM is a wide-ranging, interdisciplinary field, that requires an energized exchange of ideas. This conference will match-up world-class expertise in the academic, engineering, and management disciplines to create synergistic exchanges of ideas and practices among academics and industry practitioners. Special attention has been paid to assure a sociable, professional environment to encourage networking, forge new relationships, and deepen existing ones.

PHM topics and applications include but are not limited to:

- ❑ Energy Systems
- ❑ Electronics Prognostics
- ❑ Vehicle Health Management
- ❑ Powertrains
- ❑ Battery Health Management
- ❑ Algorithms and Implementation
- ❑ Structures and Materials
- ❑ Economics of PHM
- ❑ Railway Systems
- ❑ Gas Turbines and Rotating Machinery
- ❑ Multimode Systems
- ❑ Aerospace Systems
